Thanks - hey Lexie, Van et al - will you push this link as hard as you can today? We will get credentials allotted to TN based on the # of people who indicate they would go if they received a credential. With TN as close to NC as we are I'm trying to show that we will get a lot of folks there if we have credentials.

I feel confident that if we have folks who will go, and can do it on their own we can make a strong case for the credential distribution.

Thanks all,

Myron, Darrick Harris is a perfect candidate for this opportunity. He has been consistently supportive of the Democrat Community and Candidate Campaigns. He has stood diligently with Democrats in monitoring and holding accountable the Election Committee and serving for numerous years as the Chairman for the SC Primary Board! He has already arranged to be in Charlotte with the Tennessee Delegation and this would provide a great opportunity for him receive thanks for the many many hours he has contributed for an otherwise thankless job!
